NASTT's No-Dig Show is the largest trenchless technology conference in North America. Professionals attend to learn new techniques to help save money and improve infrastructure. Fred Tingberg presented a Paper discussing Remote Impregnated CIP Epoxy Watermain Rehabilitation. It was attended by over 200 Consulting Engineers and Municipal Owners from around the country. Several of those surveyed acclaimed this Lanzo Companies presentation as "one of the highlights of the show".

CAACE AWARD PRESENTATION

On Saturday, March 17, 2018, Sunset Harbour was acknowledged by the Cuban-American Association of Civil Engineers at the 57th Annual Engineer's Day Gala at Noche Tropical in Miami. We were presented the Category III Project of the Year Award 2018 along with the City of Miami Beach and Wade Trim.
